COMFORT DELGRO CABCHARGE

If applying by mail please send this application with payment to:

Qcity Transit
P.O. Box 6066
Queanbeyan NSW 2620

Making life easier.

Terms & Conditions

1. The Qcity Transit Smart Card (QSC) is a stored value card for use on Qcity Transit route service buses. It cannot be used as an EFTPOS or Credit card.
2. The minimum value that can be added to a QSC is \$10.00.
3. The QSC should be handled and stored carefully. Do not bend the QSC, place it near a magnetic field or expose it to extreme heat or cold.
4. The QSC is fully transferable and may be used by others if lost or stolen.
5. Lost or stolen QSCs should be reported to Qcity Transit immediately so that the QSC can be disabled. Qcity Transit takes no responsibility for the stored value remaining on a QSC not reported as missing.
6. The QSC purchase fee and any stored value remaining on the QSC are only refundable if the QSC is returned to Qcity Transit in a working condition. Furthermore, refunds will only be issued to the original cardholder, and only upon sufficient proof of identification.
7. Qcity Transit recommends that all receipts of validation be retained by the cardholder. It may not be possible to verify the stored value remaining on a QSC if the QSC is not available for presentation or is not in a working condition.
8. The Qcity Transit Smart Card can be used on all Qcity Transit services.
